Proposed Apartments with care

COWLEY HILL LANE, ST HELENS WA10 2AP

ADLINGTON

Independent living with care.

About Adlington

Adlington, a multi-award winning developer who specialises in providing outstanding new apartments with 24-hour onsite support if required.

Adlington

Tailored care can be arranged for residents, as much, or as little, as required.

Access to around-the-clock support from a dedicated team of specialists is available. 24-hour on site staff offer support and check on each individuals wellbeing daily. Care and support packages can be arranged to maintain quality of life. This is completely flexible and can be offered for short term illness or long term conditions.

All apartments are fitted with a 24-hour emergency call system linked directly to the on-site team. In the event of an unexpected trip or fall help would be immediately to hand. This sophisticated call system not only covers each apartment but the entire building and gardens, for added peace of mind.

A significant number of retired doctors have chosen an Adlington apartment for their own future, illustrating the high regard in which our extra care concept is held by health professionals. In fact at one of our developments, of the 51 apartments we had 13 doctors living there.
